The background panel was created by stamping the image with Versamark, embossing with white embossing powder and inking with black ink. The light pink image was stamped with stamp ink and then colored with markers. I used Canson K4 binder clips to attach the layers. My Favorite Projects Received this Month Total Pageviews About Me I am a happily married mom of three children. They are all young adults and if it weren't for them, I wouldn't get out of bed in the morning! I love crafting. It is the creative outlet that I need and it makes me happy. I spend my time in my craft room and my husband thinks it's dangerous. I enjoy scrapbooking, making cards, and designing altered items.The problems of using multiple laser wavelengths for intravascular measurements. Existing laser Do 3e33713323
