This paper explores the fate of a patient who had undergone thorough treatment for a visible infraocclusion of the maxillary left lateral incisor. It is believed that this infraocclusion developed because the tooth was displaced inadvertently as a result of an attempted orthodontic treatment performed several years earlier. The reasons for this attempt are also explored, including the possibility that failure to extirpate preformed baby teeth may have played a part. not only does it make a statement, it makes a statement about the owner of the studio. On the studio and series websites, the studio name, "Supernatural" and the "S" logo are featured prominently. The "S" logo and studio name are also seen on the DVD box. Episodes Million Dollar Mystery (2009) Million Dollar Mystery first aired on May 1, 2009, as a "Previously on Supernatural" special on "The CW".
