Review Copy "Just be ready to be astounded." Game Informer Review "Brought to us by the legendary company from Japan and does not disappoint." EGM Review "This is the super awesome fantasy RPG game people have been waiting for!" Offically For Rock Band "This is a game that will blow your mind." Playstation UK "This game is an absolute blast and it's short enough to pick up for just a few hours at a time when you need a break from reality!" Soul Calibur Review "Just try to stay within the land and you will be fine!" Xbox Powerplay "It's a lot of fun, and a lot of work, so it might be time to take a break and enjoy the game." PlayStation LifeStyle Review "The combat is intense, the races are fun, and the races actually feel unique. The only problem is that most of the races are too difficult to unlock. " GameSpot-Review "Could be the best in the franchise." GameInformer-Review "I really wish the lives system was more complex, but for the most part it feels like they replaced it with the original's multiplayer functionality. It's a viable alternative to the mundane lives system and is even better than the original's multiplayer. " IGN.com-review "The Elden Ring is a game that I am confident you'll enjoy (on PlayStation 4)." Hardcore Gamer-Review "The open world is not only large and fun to explore, but it's good for leveling up in battle." gamer.net-review "The lack of menus or character bff6bb2d33

The 5 Classes are arranged from left to right as shown below. Please refer to the image of the Classes for reference. CLASS 1 The Adventurer: In addition to the Blademaster class of the past games, you get to use several powerful skills (evolutionary characteristic) such as Anti-magic, Techniques, and Geomancy. CLASS 2 The Blademaster: The class that best utilizes Tarnished Swords and swords that can cut through a lot of things, players who enjoy hacking, slashing, slashing, slashing are the ones that will enjoy themselves the most in this class. CLASS 3 The Mystic: You can use the healing power of the world to heal and create powerful barrier to become a strong mystic. Also, you can utilize various attack power of the flow of magic to form a variety of battle styles. CLASS 4 The Warrior: You get to use swords that can easily cut through enemies with your attacks, players that love to use thier sword skills and technique attacks to reach the object are the ones that will enjoy themselves the most in this class. CLASS 5 The Lord: The Lord class is a class where you get to use the weapon that is made to deal as much damage as possible, players who like to wield a large sword or weapon that can generate a lot of damage and a party that can attack until the final blow with an overwhelming amount of rage are the ones that will enjoy themselves the most in this class. HOW TO BECOME AN ELDEN LORD AND THE MORALITY of the Game Most of the classes' evolution comes from the Elden Ring that evolves the class with the power of the Windspire. When a class' evolution reaches its maximum potential, the class will appear on the screen to the left of the classes' that are below it. The present class, 'Elden Lord' comes from the past class 'Blademaster'. Accordingly, the maximum evolution for the class 'Blademaster' has changed. When you become an 'Elden Lord', you become an evolved class of the class 'Blademaster'. The classes' levels will go up if you level up. However, the classes' levels will increase at a certain rate regardless of how much you level up. Please

What's new in Elden Ring:

Planned Features

Elden Ring Agents SystemElden Ring Agents are the soldiers and leaders of the Elden Ring. From commoners to Elden Lords, these excellent agents are distinguished by their strength, skill, and mastery. You must recruit these agents by using quests and by conversing with them in Elden Tower. You can assign the skills and specs of these agents.

Elden TowerDhaku's base in the Land of Chantlerae, Elden Tower is a storehouse of information on these agents in the lands between, as well as their knowledge of useful and powerful items. You can talk to these agents to acquire their experience and purchase items.

Character Management SystemDue to the proliferation of Elden Ring Agents, there are a huge number of these agents in the Lands Between. Previously you only needed to organize resources once for each party of adventurers, but now you will be able to manage your agents more efficiently. In addition, when you bring people into your party and bind them with Elden Bondage, you need to manage the resource that the Person Management Artes are using. We have also improved the stat management system and the Oblivion Gate when you try to leave the game.

Overture SystemsDeck-building action system [2] in order to slay the threat of the Lunatic Inquisitor. You can interact with various weapons at the personal level. In addition, we are adding systems that allow you to understand the internal workings of the body and the soul of the character. You will be able to use the "Personal Skills" of the character to fight, and you will be able to finally use the crucial skills of the character and show the world your own style.

Elden Ring is a fantasy action RPG and is available on STEAM. The game began with the world of Elden Ring. In the game of Dreams, the Goddess was born, and with her rebirth, the waking of the kingdom of Elden Ring was desired, and those who dreamed of a new world came together. With that, the land of Elden Ring was born from the darkness of dreams, and new lands were woven together to start a new life. Story The land of Elden Ring was born a dream, but those who dreamt of a new world came together, for the dream came from the Goddess. After that, the people began to live together, and the Kingdom of Elden Ring was born. In the lands between, the world of dreams was broken. And according to the prophecy, a group of people were chosen by the Goddess to save the world. Each person has a role in this world, and those who dreamed of a new world called it a dream. And now, the dream has come true, and the girl called "Rise" has come to the place of Elden Ring. They were guided by the goddess and by magic. Elda, the Goddess who realized this dream, in addition to the people who dreamt of a new world, helped "Rise" and accompanied her in order to create a new world. Features of ELDEN RING. Open world A vast world seamlessly connected by open fields, cities, and dungeons. Perform actions by walking to the world map. Explore with freedom. Various different situations and random encounters with dangers. Play the battles that matter
