Elden Ring release in Q4, 2018

An interview by *NGOC (Postal 2 art director): In the official note, you said that it was difficult to make a game with the theme of a newspaper and fight with a simple method. However, by using tools such as ActionrpgFGDK you made a realistically dynamic action RPG? Cgboss: That is correct. An ActionRPG is a genre of game that makes use of video game elements. For example, fighting, attacks, and the like. ActionRPGFGDK is a modification of the code of the popular game Final Fantasy Tactics, but as well as is a little simple. However, as it has unique features, it is now compatible. It is a struggle to use tools to make the kind of genre like ActionRPG. *NGOC: There are tools for constructing such games. I think that this kind of tools will continue to grow more and more, not only ActionRPGFGDK. Cgboss: ActionRPGFGDK will grow further and grow up. The world is vast, and there are many mania OnRPG. However, it has been very difficult to enter this market. I hope that in the future you will write more about the transition of the game. NGOC: Thanks for the interview, and I look forward to that. *NGOC: I see. There is something not understood. How are you going to publish

"In my opinion, Rise and Ruin is an absolute masterpiece." - Weldon "The graphics are attractive, though they are reminiscent of older games. I feel that there is a reasonable balance between the use of 2D and 3D graphics. The game moves at a pretty fast pace, which isn't much of a problem as long as you've played a game before! My personal favorite part of the game are the character models. They all have an extremely unique look, almost like a comic book version of the game. I was very pleased with the character creation for my new character. - Ichigo96 "This game looks great. I love 2D turn based RPGs. The fact that it is completely free to play is fantastic. With such a design, I can spend the time it

The Myth of the Elden Ring:

Long ago, the Elden Ring was forged. Pure gold. The wisdom of the ancient ones hovered in and around it. Indeed, it was said that the

gods of the four directions had been in there. And its purpose was as follows: that of an unarmed shield against the powers of the Otherworld, against the encroaching evil of the Dryad Kingdom. If the blacksmiths were to use the power of the embers of an unexpected flame to forge the Swords of the Elden Ring, their craft
