You can watch the announcement trailer here: Expect you to be able to: - Feel and experience a new style of football - Unlock new tactical and skill moves - Make players think and act faster - Blur your vision so you cannot be caught out This is the new formula that will help to shape a new era of football. FIFA 20 was released with over 200 animations and over 20,000 animations - with FIFA 20 reaching triple-digit number of animations. We cannot wait to show you how we'll harness the power of all that data to create the most dynamic gameplay yet. It's not just the thousands of animations and new gameplay moves that are big news though - we're also revamping the controls and creating many new player models with physically-based physics, for greater impact and authenticity. We're introducing the most sophisticated ball-kicking technology in the history of the sport, allowing you to take the ball where no one has ever gone before. The audio and dialogue in the menus and on the pitch have also been completely revised. We're also introducing the most advanced artificial intelligence and movements of any football game, built on the core gameplay pillars that have been proven successful in FIFA, and built with the help of the teams at EA Sports. This is what you can expect to be able to do in the new game: NEW WAYS TO PLAY HIGHLIGHT REEL FEATURE This year's game introduces a brand new feature that should make players happy: the 'Highlight Reel' allows you to play through every single type of move and tackle - giving you the ultimate insight into the game and the skills that make for the best play. PLAY AS 11 TEAMS FIFA 20 saw the introduction of the FIFA Ultimate Team, and FIFA 22 will bring in 11 more football superstars, along with numerous new faces. No longer will you be limited to only the player you can buy. The second-degree licences, which allow you to create your own custom teams, have been expanded to now include over 100 players, with over 300 premium virtual international players available as of today. FIFA 22 features the biggest ever collection of player likenesses in an EA SPORTS title. The changes to the team roster include: Over 50 player licences newly available in FIFA 22. Over 200 player likenesses

## **Features Key:**

- High-fidelity Ultimate Team experience - fully loaded with gameplay mechanics and rewards.
- Intense, authentic football action - enhanced ball physics and gameplay produced a more stable, responsive, and authentic football experience that rewards players for physical skill, drive, and work-rate.
- New Stories mode - Journey through four historical periods in FIFA 22 and develop your club from the local village right up to the European and international stages.
- Spectator mode - pose questions to your fellow fans and get opinions from your own crowd.
- Player Showcase - showcase players' game-changing skills with innovations such as hurdle and step and explosive dribble.
- Hyper-motion technology - fifa's first-ever motion capture engine optimised to allow "Physically Based Simulation (PBS)" on PlayStation 4 and Xbox One. This feature pushes the boundaries of the physics engine in FIFA so that players can achieve more in-game actions such as tackles, headers, volleys and more.
- Ryerson Rating System - develop your skills and earn trophies on the path to becoming a FIFA 2K legend. The new Ryerson system uses data and ratings from the Pro Player Index to reinforce your performance, rewarding you better than the previous intuitive Elo based system.
- New Road to Glory - learn the ins and outs of UEFA competition structures, cope with young "Legends" rising up through the ranks and face off against your opposing manager in domestic Cups and Leagues.
- New Business Transactions - save more, spend less; Buy the right players, sell when you no longer need them.
