What's new:

◆Features◆

POWER UP: Using your "Bank" feature, upgrade various stat boosts in order to gain levels in 4 different elements including agility, strength, magic, and speed. Gain character synergies such as **HARMING**, **MAGERUN**, and **MAGMA**. **POSITION MATTERS:** In a game where you are worried about stats, your positioning is the key to not getting eliminated in battle. Use the "Position" ability to position in front of an enemy to benefit from your active abilities or use Magallanic to position behind the enemy to gain protection from their attacks. Move along with the flow of battle to achieve victory!

STRENGTH AND ENDURE: Your sword, armor, and general abilities are upgradeable. Charge up your **EPIC STRENGTH** to achieve a variety of effects, including **EXPLOSION**. Use your **ENDURE** skills to bolster your defense against the enemy's attacks. Maximize your strength to win!

KNOW, TURN, DEVOUR: Use your Magallanic skills to reposition yourself and detect potential and actual attacks. Turn your Devour skills and use it to manipulate yourself or your allies. Use your Turn abilities to fully mobilize to the battlefield.

HARMING ROAMING: Use **HARMING** abilities to deal magic damage to multiple enemies and increase your steady magical attack power. Activate **MAGERUNS** to activate various effects. Even attack from any position in the battlefield with **MAGMA**!

VERSUS: Join the battle and challenge players from around the world to fight against each other with cross-platform. New servers for various modes such as "Ranked List" and "Tournament" are supported to play various game modes. When you participate in these, your rank will be reset to the start of the ranking cycle.

AMPLIFY: This RPG features a new "Play Items" system that allows you to mix and match your own items that you collect and use the item you are wearing to store magical power in order to activate various abilities during battle.
