In September Xfer Records released Serum, the first record of the label.R2R is a brand new Xfer Records released.Trevor Noah recently asked fans to pick a Saturday, Jan. 17, date to see the new Amy Schumer film. As most of you should know, that date was February 13th. Now, I'm not going to begrudge him the change. That film is going to be in theaters on February 13, whether he gets it right or not. But, I don't mind the change. I love Amy Schumer's brand of comedy and I loved the film on the other date. I just wish he'd leave a couple dates open on the calendar before he announces it. Seems like he's only leaving date open if it's, "right before I release the movie." A post shared
