      - Brown, one of the designer of Tarnished
        - Kotori, Proofreader for Anrmy
  - And of course, Olli would've been the fifth member, but we couldn't count him in

**A Future Outside of Japan:** Until a few years ago, Tarnished was only available in Japan. It's been a long time coming to finally release outside Japan, and even longer since anyone besides the developer thought about opening a store for purchase outside of
